## KIDS GOLF CAMPS

### 2023 SUMMER KIDS GOLF CAMPS AT STONEWATER

---

#### **ABOUT:**

Our kids golf camps are available for children ages 7-13. The goal of our kids camps is to create an environment of learning and fun that will foster both personal confidence and a lifelong enjoyment of the game. The camps use “creative games” to teach the fundamentals and aspects of the game such as chipping, putting and full swing. Proper golf etiquette, safety and rules are also covered in all camps. This teaching philosophy allows all campers to achieve success and gain greater enjoyment for golf at an earlier age.
