

STONEWATER

## MIXOLOGY CLASS

"Holiday Spirit(s) "

Join us at StoneWater for "*Holiday Spirit(s)* " the second, in our Mixology Class Series. Hosted with **Watershed Distillery** and led by their very own Tinnie Hascher, this class will help you become the master of holiday themed cocktails at your own house.

We will kick off with learning bar tools, key skills and give you tips to make seasonal cocktails like a professional. We will then move on to how to master three holiday themed cocktails; one vodka, one gin and one bourbon cocktail. Creating & tasting the cocktails throughout, StoneWater chefs have also prepared a bite to be perfectly paired with each cocktail for you to enjoy.

Every guest will get their own bar kit, (shaker, spoon, muddler, jigger) to use during the class and take home afterwards, in addition to a recipe card. This class is perfect for couples, groups or singles.
