# PINTS & PONYTAILS

**CALLING ALL  
DADS!  
(& GRANDPAS)**

*Because great dads,  
can do great hair too!*

Join us at StoneWater for an interactive evening where fathers can enjoy an evening of beers and burgers while learning simple essential hair styling techniques to tackle their daughters' locks with confidence! This hands-on workshop will guide dads through creating simple yet stylish ponytails and easy braids, perfect for school, special occasions, or sports. Participants will leave with practical tips, tricks, goody bag and newfound skills to ensure their little ones are always ready to shine.

Come along, learn a new skill, meet other dads and make mornings a little easier
