CHILLY WEATHER? WE'VE GOT YOU COVERED.

If it's chilly, we'll move the carts from The Yard to the back of the clubhouse near the Venue patio. The Venue will be open for families to sit inside and warm up throughout the evening. The event bar, seasonal cocktails and Halloween music will be there, with the food stand on the covered patio. Same fun, just a little warmer.

No outside food or drinks; candy for participating carts is welcome.
